

## **MCC Children's Behavioral Health Program**

### ***Do you have experience working with youth?***

**You can become a Therapeutic Mentor.**

A Therapeutic Mentor works one-on-one with youth in the community, helping each young person to develop their social and life skills through activities in the community.

### ***Are you a parent of a child with special needs?***

***Can you teach other parents to navigate the system?***

**You can become a Family Partner.**

A Family Partner helps other parents learn how to speak up and navigate systems (schools, courts, DCF) to get help for their family.

**Bilingual and multicultural students especially encouraged to apply.**

### **Children's Behavioral Health Program**

10 credits including an internship in the field

Free for qualified MCC students, this coming Fall & Spring only.

### **Information Sessions Middlesex Community College**

#### **Lowell Cowan Center Rm 115**

Monday, Feb 27, 2:30pm

Thursday, March 2, 1pm

Wednesday, March 8, 2:30pm
